Dear All

This month sees the launch of two new and exciting weekly nights at The Fountain Inn. **BUY! BUY! BUY!** Stock Exchange night will be every Thursday from 8pm til 2am.

A number of drinks will be 'floated' on The Fountain Exchange, these products and prices are displayed on the 'trading screens'. Customers (traders) cause the prices to **rise** or **fall** every 5 minutes, depending on whether the drinks are brought or not. Watch out for **market crashes**, when prices fall to **rock bottom prices!**

Every Wednesday we are re-launching our open iPod night from 9pm til 2am, so simply prepare a half hour playlist on your iPod and grab a slot. Expect to hear all manner of music styles, no censorship allowed!!

Hope to see you all soon...
